

Dear Sixth Grade Parents,

We're just 1 week away from heading off to Camp Rotary. Below is the list of drivers both to and from camp (with a map and directions attached for drivers only). We will all meet down in the Fellowship Hall on Monday morning at 8:15. If your child is riding with someone else, they can bring all their gear downstairs or put it in their driver's car first. Any last minute instructions will be given to drivers/Chaperones. All campers should gather by their assigned driver at which time we will have a word of prayer before sending everyone on their way. Please note that **any and all** medications your child will be taking with them should be placed in a Ziploc bag labeled with their name and given to me. Inhalers and cough drops are the only exception as those can be carried by the student. Parent chaperones may keep their own child's meds if you will be dispensing them during the week.

If you have any further questions or concerns, please feel free to call me at school or cell (313-530-8899), or stop in my classroom after school. I'm looking forward to a fun and exciting week with your child!

NOTE: Please use my cell phone number for emergency purposes while we're at camp.

God's Blessings,
Ms. Lindenfesler
