What are the benefits to enrolling my child at Guardian Lutheran Preschool?

Being a Lutheran preschool, Guardian Lutheran incorporates Christian values into our program. The children will participate in Bible stories, songs, and prayer before snacks and lunch. In a Christian setting the child will be free to explore his environment, express feelings and begin to understand and control them in a forgiving atmosphere through the grace of God. The staff of Guardian Lutheran Preschool regards the development of the whole child as their primary goal. We work to create an atmosphere that will allow each child to feel comfortable and secure while they are away from their home. Parents and staff work together for the benefit of the child.
